

DEVILBISS®

AUTOMOTIVE REFINISHING

DEMASK™

NIOSH

OV/N95 Reusable Multi-Purpose Respirator Delivers High Performance and Superior Comfort

Respirator facepiece, cartridge, and pre-filter combination provides protection against most organic vapors.

FEATURES & BENEFITS

- Provides minimum 95% efficiency against most organic vapors
- Low-profile design fits under safety glasses and face shields
- Rolled sealing flange provides superior comfort and improved fitment
- Large inhalation/exhalation valves allow for maximum airflow in and out of mask
- Adjustable design fits almost all users with one size

SPECIFICATIONS

- OV/N95 utilizing replaceable cartridge and pre-filter elements
- NIOSH certified
- One size: medium/large adjustable
- Review data sheet for proper usage instructions
